

# MAID

## A New Right for Termillally Ill New Yorkers

New York's Medical Aid in Dying Act was signed into law on February 6, 2026 and will take effect on August 5, 2026. This workshop will provide participants with a detailed overview of how medical aid in dying fits within the broader lanscape of end-of-life care in New York, including hospice and palliative care services.

### Corrine Carey

of Compassion & Choices brings more than 25 years of experience working at the intersection of public policy, civil rights, and health care. She recently spearheaded the success capaign to pass the NY MAID Act, building on her earlier leadership in advancing similar legislation in New Jersey.
